

Fundraise in memory

Many people also choose to fundraise in memory of a loved one. Anything from having a tea party or coffee morning, a sponsored walk or a quiz!

You can browse our fundraising guide [HERE](#) or get in touch for inspiration!

For more information on donating in memory please email fundraising@napa-activities.co.uk

A special gift

When Betsy Taylor died with Alzheimers Disease her family made the very special decision to ask for donations to be made to NAPA in lieu of flowers at the funeral.

We chose to support NAPA because, even though we have had a tough 3 years throughout mums illness, we recognise that she enjoyed life right up to the end. Mum was always singing and dancing, chatting about her life and making new memories, even though she had dementia. We believe this was due to the dedication and support of the Lifestyle and Activities team, who were supported by NAPA, as well as the amazing care she received from the carers in the care home. We also found NAPA's resources for friends and family really helpful when we visited mum, their ideas gave us a bit of inspiration when we were running out of ideas! We chose to support NAPA because they focus on the wellbeing of the person, being creative and connected and that was so important to mum and to us.

– Jessica Fitzpatrick, Cornwall

Donations in memory of Betsy didn't stop there. Family and friends rallied round to organise a disco. And 2 friends of Jessica's danced for 12 hours non stop!

So far, more than £1000 has been raised in celebration of Betsy's life – a wonderful tribute to a special person who lived life to the full.

The money raised helped us to develop more free resources for friends and family. You can view our free resources for friends and family [HERE](#)
