

## Leave a legacy

25 years ago we started a movement to support activity provision in care homes. With a gift in your Will we can continue to affect change long into the future.

If you have already decided to make or update your Will to include a gift to NAPA, thank you! With your help, we can continue to enable people to live content, connected and creative lives. Including a gift in your Will to NAPA is so important. Your gift will help us to provide the essential knowledge and skills required by Activity providers, Care Professionals and Family carers in engage the people they support in meaningful activities.

Hilary Woodhead, NAPA's Executive Director; says:

*I know from personal experience how difficult it can be to spend time with a loved one who is unwell or nearing end of life and thinking of creative and meaningful ways to be together. My dad died with MS in a care home when I was 16 years old. The effect on me was profound and changed my life.*

### Let us know your intentions

If you do choose to remember NAPA in your Will, please consider letting us know so we can express our gratefulness and keep you updated on work.
