We are adding new content all the time, if you have used the search facility but cannot find what you are looking for please get in touch.

We would love you to hear from you, send us your questions, comments or feedback!

Digital Protection:

We must protect our digital services to enable NAPA's financial stability, but we need your help. NAPA is a charity. We do not make a profit from our services. The income we generate enables us to provide our services at no, or low cost, so that every person can live content, creative and connected lives.

We therefore ask you NOT share your NAPA Member login details with non-members.

Thank you for helping us to continue to develop and grow our services. We believe that you have the right to access the resources you need to provide person centred activity and engagement. With your help we can continue to do just that!

Please note: NAPA reserves the right to terminate access to The Shed should we suspect a breach of our digital protection.

It is easy to become a NAPA Member and costs less than 25 per setting, per day. If you know someone who might benefit from NAPA Membership, please give them our contact details NOT your log in details 😊 Thank you! We value your support.
