

Intellectual Copyright Statement for NAPA's Activity Shed

Scope:

This Intellectual Copyright Statement applies to all original content, including but not limited to text, images, graphics, videos, and any other creative materials produced by NAPA in The Activity Shed and its contributors.

Ownership:

All intellectual property rights associated with the content created by NAPA's Activity Shed are owned exclusively by NAPA unless explicitly stated otherwise.

Usage Restrictions:

Unauthorised use, reproduction, distribution, or modification of The Activity Shed's content, in whole or in part, without prior written consent is strictly prohibited.

Permitted Uses:

NAPA Members and NAPA Activity Shed Members may use The Activity Shed's content for personal, non-commercial purposes in the planning and provision of activities in NAPA member care settings only. Refer to NAPA's Membership Policy. Any other use, including but not limited to commercial purposes, public display, or distribution without express written consent, is prohibited.

Attribution:

When sharing or referencing The Activity Shed's content, proper attribution must be provided. This includes acknowledging NAPA's Activity Shed as the source of the material.

Requests for Use:

Requests for the use of NAPA's Activity Shed's content for purposes other than personal, non-commercial use should be submitted in writing to communications@napa-activities.co.uk

Enforcement:

NAPA reserves the right to take legal action against any individual or entity found to be in violation of this Intellectual Copyright Statement.

NAPA will revoke membership status and thereby access to the Activity Shed with immediate effect.

Duration:

This Intellectual Copyright Statement remains in effect indefinitely, and any changes or updates will be communicated through NAPA's official channels.

Review and Update:

This Intellectual Copyright Statement will be periodically reviewed to ensure its relevance and effectiveness. Any necessary updates will be communicated to the public through NAPA's official channels.

By accessing or using NAPA's content, individuals acknowledge and agree to abide by the terms outlined in this Intellectual Copyright Statement.
